

SHANE JAMES

SOFTWARE ENGINEER

RELEVANT EXPERIENCE

Software Engineer Fellowship

General Assembly, Online, 11/2020 – 02/2021

- Trained in a plethora of functional programming languages during a 12-week, 500+ hour career accelerator.
- Learned front- and back-end programming fundamentals and built full-stack applications.
- Collaborated with team members to build RESTful APIs and integrated data from third party APIs. Utilized morning scrum and Agile methods.

Expect App

- Collaborated with three other developers. Used online Kanban Board, morning scrum, and Agile methods to complete the project.
- Used Git/GitHub for version control and pull requests to integrate team members' code into production code base.
- Full-Stack app engineered using MongoDB, React, Mongoose, Node, Heroku, HTML/CSS, React Bootstrap, and AXIOS.

QuantUp App

- Engineered with React. Utilizes Open Weather Map API, Quote of the Day API, and Unsplash API. Meant to be a smaller version of Google Momentum.

The Village App

- Full-Stack app engineered using MongoDB, JavaScript, Mongoose, Node, Heroku, HTML/CSS, jQuery, Bootstrap, AJAX

ED-SAC-toe App

- Engineered with: HTML/CSS, JavaScript, jQuery, Bootstrap, AJAX

OTHER EXPERIENCE

Operations Manager

Pacific Dental Services, Palm Beach, FL 10/2019 – 03/2020

- Coached Dentists and staff to enhance patient relationships.
- Set goals for the practice and incremental executables to achieve the goals.
- Supported traveling Specialty Dentists and their staff and promoted relationships between Specialty and General to enhance patient experience and increase patient retention by 40%.

Branch Rental Manager

Enterprise Rent-a-car, Boca Raton, FL 09/2014 – 03/2019

- Did in-depth planning and analysis of financial reporting and forecasting to increase performance in the areas of growth, profitability, customer service and employee retention.
- Increased profit margin by 20%.
- Built and maintained strong customer relationships.
- Created a winning sales and service culture through training, planning, one-on-one coaching, team coaching, and leading by example.
